## NOTICES

### **Late charges**

To avoid late charges, make the Current Payment Due as indicated on this statement on or before the Payment Due Date. Please refer to your retail installment sales contract for details.

### **Miscellaneous charges**

Miscellaneous charges may consist of unpaid fees, penalties, and expenses incurred on your vehicle. These may include taxes, towing, repair bills, storage bills, fines, and attorney fees. Please refer to your retail installment sales contract for details.

### **Authorization to process check electronically**

When you provide a check as payment, you authorize us to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. Funds may be withdrawn from your account as soon as the same day we receive your payment. You will not receive your check back from your financial institution.

### **Principal payments**

Payments received are applied first to interest due, then principal, then any outstanding charges (e.g., late charges). By paying more than the total amount due, the excess funds will reduce your unpaid principal balance and be applied to future payments. Excess funds of at least 90% of your scheduled monthly payment causes your account to be paid ahead and advances the next payment due date. Daily interest continues to accrue on your unpaid principal balance. To make a payment that reduces your unpaid principal balance only, and is not applied towards this or future payments, make a principal-only payment on ToyotaFinancial.com; or the Toyota Financial Services mobile app; use our automated phone system or speak with a Team Member by calling us at (800) 874-8822; or mail a check or money order listing "Principal Only" and the account number on the memo line to Toyota Financial Services, P.O. Box 4700 Phoenix, AZ 85030.

### **Disputed payoffs**

If you are sending a payoff amount that you intend to be payment in full but is less than the payoff amount quoted by TFS, you must mail your disputed payoff remittance to TFS at PO Box 4700, Phoenix, AZ 85030.

### **Use of your credit report**

You agree that we may request and utilize your credit report(s) at any time during the term of your contract, for the purpose of reviewing, updating, renewing, or extending credit, taking collection action or for other legitimate business purposes associated with your account.

### **Disputes about credit information we reported**

If you believe we reported incorrect or incomplete information about you to a credit bureau, write us at P.O. Box 661009, Dallas, TX 75265. Identify the information and tell us why you believe it is incorrect or incomplete. If you have a copy of the credit report which shows the disputed information, please include a copy.

### **Bankruptcy**

In the event a party on the contract files for bankruptcy protection, please send your initial case notification to Toyota Financial Services C/O NBS, P.O. Box 9014 Addison, TX 75001.

## IMPORTANT

### **Attempt to collect a debt**

This is an attempt by TFS to collect a debt, and any information received in response will be used for that purpose.

### **Notice to consumer about negative credit reporting**

We may report information about your account to the credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report. As required by law, you are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.
