You and Wells Fargo

Thank you for being a loyal Wells Fargo customer. We value your trust in our company and look forward to continuing to serve you with your financial needs.

Other Wells Fargo Benefits

Two trending crypto scams to watch out for:

- 1. Crypto investments:** Scammers befriend you on social media or through "wrong number" texts. They guide you to download a fake crypto app and then steal your "investment".
- 2. Crypto ATM deposits:** Someone posing as a government official warns you about the security of your account and advises you to deposit cash into a Crypto ATM to "keep your money safe". Instead, you are actually depositing money in their account.

Red flags: Unexpected contact, promises of big investment returns, or threats about your account security.

Remember, no reputable organization will ask you to make cash deposits into a Crypto ATM. You may not get your money back.
