Other Wells Fargo Benefits

Vet travel sites and agents to help avoid vacation scams

Scammers use AI to create realistic ads, booking sites, and even follow-up emails to steal your money and personal information.

A few smart habits can help protect your trip - and your wallet:

- **Use official sites and apps.** Fake travel sites often appear in search ads and are designed to steal your payment or login details.
- **Don't click links in unexpected or urgent emails.** Scammers may hack real reservation emails to request extra fees.
- **Be careful with sponsored customer service search results.** Scammers buy ads with fake airline or hotel customer service numbers. Travelers often encounter these scams during flight delays or cancellations.
- **Think twice about unusually cheap deals.** Too-good-to-be-true prices - especially amid today's rising travel costs - are a common scam tactic.

Slow down and verify before you click, call, or pay. Report suspicious messages or charges right away.
